How to Vote

This person has been selected by a panel of (mostly) ACE judges to be a finalist for the Oracle Database Developer Choice Award.

Winners are chosen by popular vote: the top vote-getters will be announced as winners at the YesSQL event at Oracle Open World 2015.

If you think a person should win the Developer Choice Award, vote her or him up.

Emrah Mete

You can vote for as many of the finalists as you feel are deserving of the award.

By voting for this finalist, you confirm that you have read the rules and that you are eligible to vote.

Regarding Comments

If you would like to explain why you are voting this finalist up, you are welcome to add a comment. We will, however, remove any negative comments.
